ABOUT INNOVISION

Innovision Limited, a leading manpower service provider in India, recognized as one of the largest and most trusted names in security services. India, provides comprehensive blue-collar workforce solutions for businesses of all sizes. Recognizing the crucial role of skilled manpower, we are the preferred choice for sourcing top-tier blue-collar workers.

Certified under ISO 9001:2008, ISO 27001:2013, ISO 8000:2014, ISO 14001:2015, ISO 18788:2018, and ISO 45001:2018, Innovision Limited excels in Security Services, Integrated Facility Management, Manpower Sourcing, and HR Solutions, offering a seamless and fully integrated suite of services.

We are committed to excellence and client satisfaction, customizing our services to meet each client's unique staffing needs. We provide skilled manpower, security, and facility management solutions to enhance operational performance.

Our operations prioritize innovation, efficiency, and reliability, ensuring tangible results. From recruitment to ongoing support, our dedicated team maintains high standards, instilling confidence in businesses. More than a staffing provider, we are strategic partners, empowering businesses to excel in today's competitive landscape.

VISION

To become leader in creation and delivery of innovative human resources solutions and services.

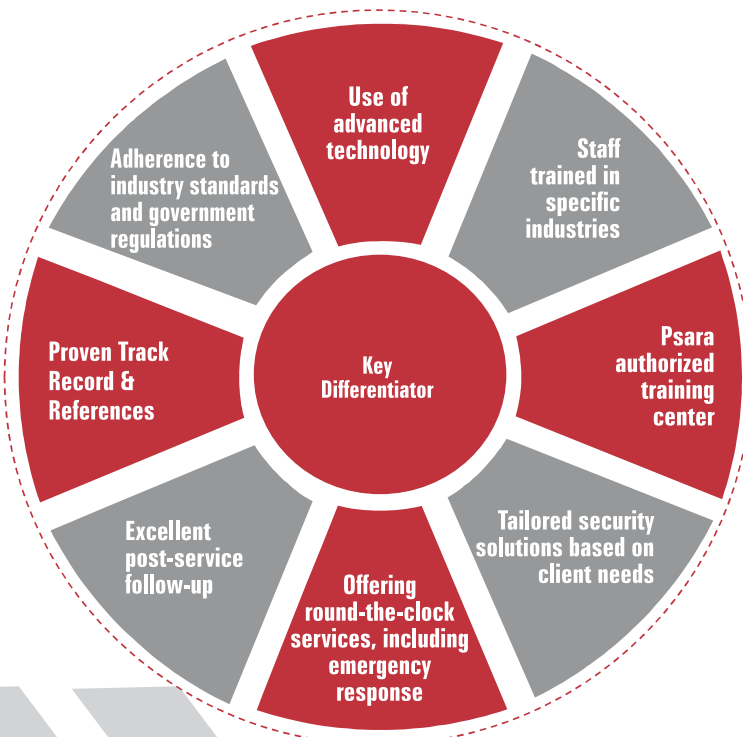

CORE VALUE

Innovation, Knowledge, Accountability, Integrity, Reliability, Transparency, Consistency and Reciprocity

WHY US

Choose us for our proven expertise, cutting-edge technology, and unwavering commitment to safety. We tailor our solutions to meet your unique needs, ensuring reliable protection and peace of mind. Your security is our priority.

KEY DIFFERENTIATORS

Over 17+ years of experience with a growth rate of 100% in the Last Financial Year (FY 23)

PAN India presence with more than 55 branches across the country.

Network in all remote areas to handle difficult territory across the A, B & C tier cities.

Data security & confidentiality at all the levels.

Diverse clientele of leading global and government/ semi-government organizations

Government approved training centers at multiple locations with experienced faculty.

WHY US

Solutions delivered with an Innovative touch

Our ability to deliver our services with our own staff allows us to share experience and best practice from all across India, integrate our services, and empower our employees to exceed expectations – every day.

One-Stop Shop: Tailor-made Solution

INNOVISION Offers a comprehensive range of services across India, whether you are looking for a single service or an integrated solution, our expertly trained, fully dedicated professionals take pride in delivering the highest standards efficiently. Our flexible operational model provides choice to expand or limit the scope of services to meet the needs of your business as it evolves.

Can-do Safely: Experienced in Non-Core Business solutions

We take a positive and commercially aware “can-do” approach to the opportunities and challenges. We have years of experience of enabling our customers to focus on their core Business, by making their non-core jobs our strength. By keeping your premise hassle-free-through great service-we facilitate the efficiency and productivity of your business.

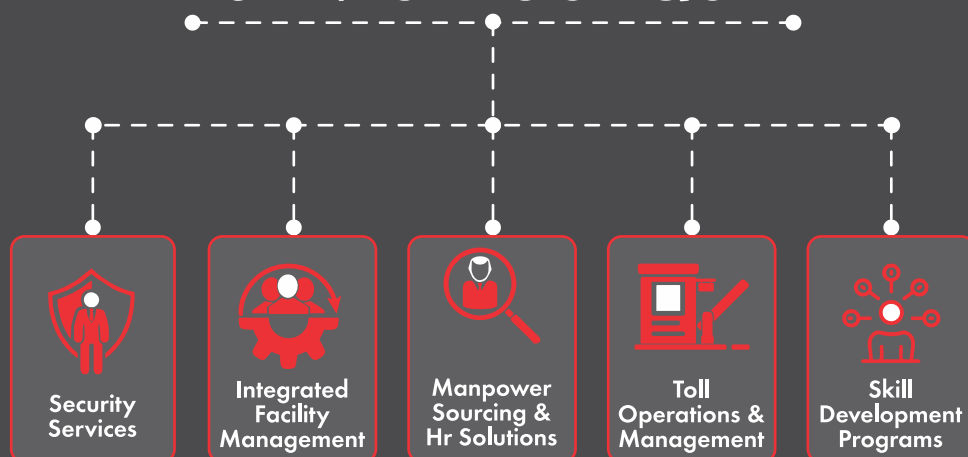

Lowering cost, adding value

The Key purpose of outsourcing is of course to lower the total cost of operating non-core activities in a company but when cost can't be reduced anymore, the next step is to look at the value of the services and start improving them. INNOVISION is all about minimizing cost and maximizing value.

Local service backed by a national network

By choosing INNOVISION, you get the perks of a locally owned organization that's backed by a national network

OUR CSR INITIATIVE

Woke India believe In empower

We believe in giving back to the society

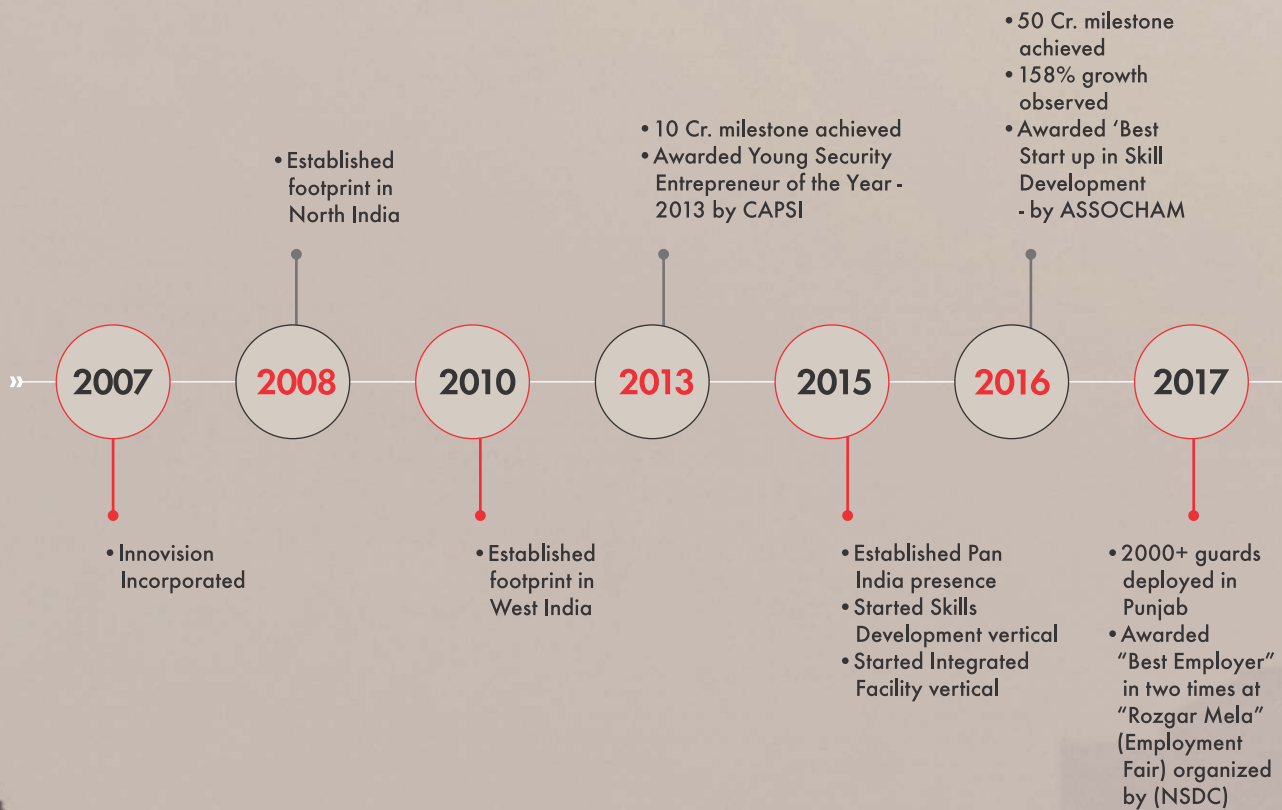

When we say humanity, we can look at it from a lot of different perspectives. One of the most common ways of understanding is that it is a value of kindness and compassion towards other beings. With this vision, Woke India Foundation was established in 2020 for the well-being of humanity.

As a society welfare driven philanthropy, Woke India Foundation is dedicatedly working in the areas of Employment, Ex-Servicemen welfare, Education, Healthcare, Women Upliftment and Old Age Support.
