ABOUT INNOVISION

Innovision Limited is India's leading manpower and integrated service provider, renowned for delivering excellence across Security Services, Integrated Facility Management, Manpower Sourcing & Payroll, Toll Operations & Maintenance, Skill Development, Domestic and Overseas Recruitment, Background Verification, and Drone Manufacturing & Training and Daas Services

With a PAN-India presence, over 20000+ workforce, 2000+ sites, 22 branches, and 500+ clients, we serve leading corporates, government institutions, and infrastructure projects with unmatched dedication.

As an ISO-certified and PSARA-licensed company,

we operate under the highest standards of quality, safety, and compliance, holding certifications including ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, ISO 27001:2013, ISO 18788:2015, SA 8000:2014, and CMMI-DEV v1.3 Maturity Level 3.

At Innovision, we believe in offering tailor-made, value-driven solutions through innovation, customer-centricity, and operational excellence. Our strength lies in our ability to integrate services seamlessly while empowering clients to focus on their core business.

We go beyond staffing — we are strategic partners to our clients, ensuring business continuity, optimized operations, and long-term workforce sustainability.

OUR GUIDING PRINCIPLE

We are driven by a customer-centric approach, focusing on consistent growth through service quality, client satisfaction, and employee welfare across all our service verticals.

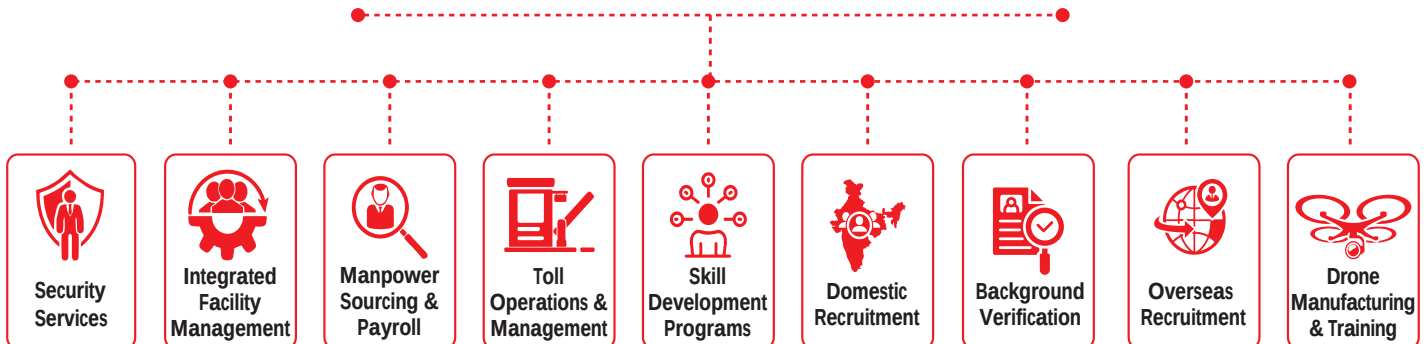

VISION

To be the leading provider of innovative and integrated human resource and facility solutions that empower businesses to thrive.

CORE VALUE

Innovation, Integrity, Reliability, Accountability, Transparency, Consistency, Knowledge, and Reciprocity guide everything we do.

WHY US

Solutions delivered with an Innovative touch

At Innovision, we pride ourselves on delivering services through our in-house trained professionals, ensuring quality, consistency, and a culture of continuous improvement. Our nationwide footprint empowers us to integrate best practices from across India—delivering unified, high-performance solutions that exceed expectations every day.

One-Stop Shop: Tailor-made Solution

We offer a comprehensive suite of services across India—ranging from security and facility management to skill development and overseas recruitment. Whether you're looking for a standalone service or an integrated bundle, our flexible operational model allows you to scale services up or down as your business evolves.

Can-Do" Culture for Non-Core Business Needs

Our commercially aware, solutions-first approach ensures your non-core functions are handled seamlessly—allowing you to focus on core business operations. With extensive experience in supporting businesses across industries, we help improve productivity, compliance, and operational

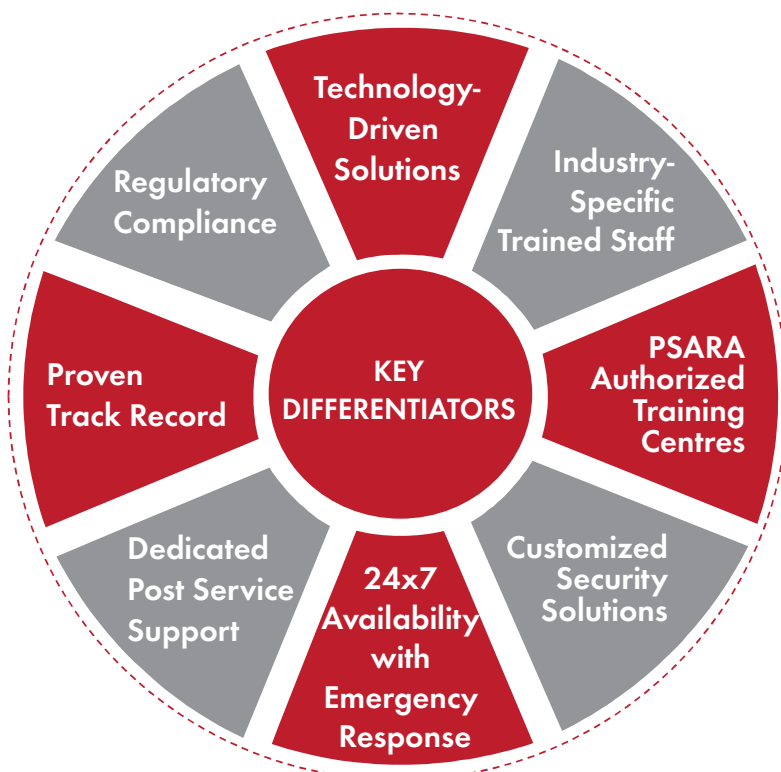

Cost-Efficiency with Value Creation

We go beyond reducing costs. Innovision's approach is about optimising performance and adding tangible value to your operations. When cost savings plateau, we enhance the quality, impact, and value of services delivered.

Local Expertise. National Network

Enjoy the responsiveness of a locally managed team backed by a strong pan-India network. Our on-ground presence, deep industry knowledge, and strong governance allow us to deliver consistent, reliable service—even in remote or challenging locations.

KEY DIFFERENTIATORS

19+ Years of Proven Expertise with a 100% YOY growth (FY25)

PSARA-licensed & ISO-certified operations

PAN India Presence with 55+ branches & remote location support

Govt.-approved Training Centres with experienced faculty

Tech-enabled service delivery & data confidentiality

Tailored manpower & security solutions across industries

Trusted by Government & Global Clients

LEADERSHIP

Lt. Col. Randeep Hundal

Managing Director | Innovision Limited

Lt. Col. Randeep Hundal is a visionary entrepreneur and strategic leader with over 24 years of experience across corporate leadership and national service. As the **Founder & Managing Director of Innovision Limited**, he has led the company's remarkable growth across **Manpower Security, Facility Management, Toll Operations, Payroll, Skill Development, and Domestic & International Recruitment**, overseeing a workforce of 25,000+, including 5,000 ex-servicemen.

He also heads **AeroDrone Robotics**, a DGCA-approved organization for drone manufacturing and training, and **Innovision HR Consultancy (Dubai)**, driving global employment opportunities. His leadership is steering Innovision toward a **BSE/NSE listing by 2025**, aligned with the national visions of **Viksit Bharat, Digital India, and Atmanirbhar Bharat**.

As the **Founder of Woke India Foundation**, a Delhi-based NGO, he champions impactful initiatives in **education, healthcare, women empowerment, and ex-servicemen welfare**, creating lasting social change at the grassroots level.

A decorated officer, Lt. Col. Hundal was commissioned into the **3rd Battalion, J&K Light Infantry (Sikh Regiment)** in 2000 and served for five years in active duty. He continues to serve the nation in the **Territorial Army (124 Infantry Battalion, Sikh)** and is a recipient of the prestigious **GOC-in-C Commendation (Gallantry)** for his distinguished service.

Mr. Uday Pal Singh

CEO & Executive Director | Innovision Limited

A visionary leader with over 22 years of experience, **Mr. Uday Pal Singh** is the **Promoter, CEO, and Executive Director of Innovision Limited**. With a background in **Economics and Communications**, he brings extensive expertise in **advertising, media, public relations, and manpower solutions**.

Having held key roles at top organizations like **Group M, Publicis, Triton Communications, and ESPN Star Sports**, Mr. Singh has been instrumental in driving Innovision's growth, client development, and operational excellence. His strategic leadership has helped position Innovision as a leading player in **security services, facility management, and workforce solutions**, steering the company towards sustainable growth and client success. He also heads **AeroDrone Robotics**, a DGCA-approved organization for drone manufacturing and training, further strengthening the group's presence across diversified service domains.
